

Messy Church: Pentecost - Holy Spirit

Windmills

There are good instructions here on making windmills:

www.primaryscience.ie/media/pdfs/col/sci_at_home_make_windmill.pdf

And there are printable templates here:

http://www.firstpalette.com/tool_box/printables/basicpinwheel.html

Birthday Cakes

Decorate cupcakes with flame-coloured icing and decorations.

Wind Chimes

From a cross of two twigs/lolly sticks dangle 5 threads and attach anything metal (spoons are good!).

Fire Pictures

Cut out flame shapes from A4 black card (see template). Provide flame-coloured tissue paper and glue for the children to stick on the back to create stained-glass style pictures.

Or

The children cut out individual flame shapes to stick on black paper to create a fire (see example).

Blow Painting

Use blow pens or drip paint onto the paper and then blow through a straw to spread it and make patterns.

Happy Birthday Colouring

Create a colouring page of "Happy Birthday" in different languages.

Or

They could make birthday cards for the church or for people they know.
