

Stewardship Prayer

Our church is made up of people like us.

We make it what it is.

It will be filled with inspiring worship – if we are there
and ready to meet with You Lord.

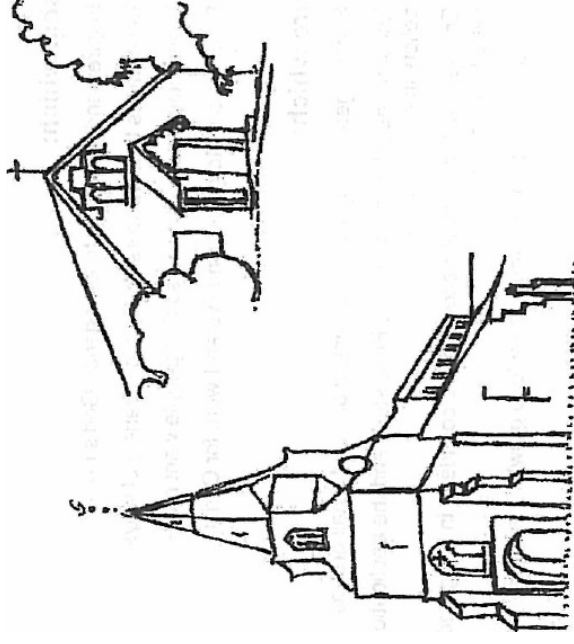

It will be a community where disciples are made - if we
are willing to grow in love for God and our neighbours.

It will bring about a transformation of the community if
our vision is a growing church that makes a real
difference to people's lives.

Therefore with the help of God, let us dedicate
ourselves to the task of being all the things You want
our church to be.

Amen
